Ballet and Jazz

Welcome students and parents of Hall County Boys and Girls Club!

For the past twenty years, the Gainesville Ballet Company has taught free weekly dance classes to the Hall County Boys and Girls Club as part of our Dance Discovery Community Outreach Program. We are thrilled to be partners with the Boys and Girls Club of Hall County.

About the Class

- The first two Wednesdays of each month, students will be introduced to elements of ballet technique. These include terminology, rhythm, coordination and basic positions of the arms and feet.
- The last Wednesday of each month students will study Jazz technique. During these classes, we will dance to popular music as well as the music of famous Broadway shows. Students will learn basic jazz exercises such as isolations and across the floor traveling patterns. Students will also learn choreography in different jazz styles such as Broadway and Contemporary.

DATES & TIMES

- ❖ **Dance classes begin Wednesday, September 20. Classes will be held every Wednesday from 4:15-5:15 p.m. Students will be brought to and from the studios by bus each Wednesday.**

Dress Code

Students will need to wear clothes they can easily move in. You are welcome to purchase dance attire if you wish. For legwear, students need to bring a pair of leggings or yoga pants to change into.

End of Term Showcase

In November, the students will have an end of term performance at the studios. The date and time of this performance is TBA.
